- 100 marks, 2 hours
- Module mark proportion: 35%

A3 Details:

- Friday 28 November: 09h00 – 11h00
- Humarga 314 (open area)
- 100 marks, 2 hours
- Module mark proportion: 35%

Arrive 20 minutes before the scheduled start time.

Structure:

The test contains 2 sections:

- Section 1: Theory (6 questions), 35 marks
- Section 2: Practical (10 questions), 65 marks

Scope:

- R4DS chapters 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 17, 18, 19, 21, 24, 25
- van Atteveld: chapters 8.1, 8.2
- Silge chapters: 1, 2, 3, 4, 5, 6
- Salganik chapters: 2, 6

Note, Salganik chapters 2, 6, R4DS chapter 21, 24 (databases and webscraping) and van Atteveld 8.1 and 8.2 will only be examined in the theory section. All other chapters may appear in both theory and practical sections.

Notes:

All questions should be answered on SUNLearn You will, however, need to use a RStudio to write and execute your code. Make sure that you are familiar with running code in the Humarga lab environment.
